Business Objective(s) of the Services

(Please state the purpose of this Statement of Work and what IPC expects to receive or to happen as a result of the Services being performed by Contractor. Also, for larger, more complex Statements of Work, some background may be necessary to give context to why the Services are being performed under this particular Statement of Work.)

Scope of Services *(Attach if separate document.)*

(i.e., What will IPC be getting from the Contractor in exchange for our promise to pay. Please included scope or nature of the Services or project, a detailed description of the work, the specific tasks required to perform the Services, specific work activities, technical specifications (if any), resources required, any other specific obligations of the Contractor, location(s) where Services are to be performed.)

Deliverables/Milestones

(Please list out the products and/or tangible end results that are expected from each task contained in the Scope of Services, the date each deliverable is due or the date each milestone should be reached, liquidated damages, detailed deliverables that are intended to result from the Services—even though they may be referenced also in the detailed scope of work above. Also, if any progress or status reports are required for the Services, please also state here.)

Contractor Personnel

(List Contractor’s personnel/employees assigned to complete the work described herein. Include contact information and designated point of contact for Contractor and/or its employees (including phone numbers). If specific individuals with a particular expertise are desired, please designate here. If subcontractors are used, identify them and provide contact information for them as well.)

Compensation

Choose a building block.

Contractor's price includes all applicable taxes and costs, including, but not limited to, overhead and markup. Contractor shall be responsible for remittance of all federal, state and local taxes applicable to any compensation or payments paid to Contractor under this SOW.

Additional Terms

(List any additional terms such as price discounts, performance guaranties, work or product warranties, refunds, etc.)

Insurance Modifications

(List all modifications to the insurance requirements set forth in the Agreement for this SOW. If a provision is not required, then set forth the section number, insurance type, and state that it is not required (e.g., "Section 11(g), Fidelity Insurance, is not required for this SOW."). If the insurance is required, but is modified, either in coverage or limits, then cite the section number, state that it is deleted in its entirety, and include the entire new provision with the modifications (e.g., "For this SOW, Section (e), Professional Liability Insurance or Errors and Omissions Insurance, shall be deleted in its entirety and the following shall be replaced in lieu thereof: [Cite Entire Insurance Provision]").)

The above-stated insurance modifications, if any, shall apply to this SOW only.

Exhibits

The following Exhibits are attached to this SOW and are incorporated herein by reference:

(Examples of exhibits may include, but are not limited to, a Schedule of Rates—i.e., unit prices, drawings and specifications, a Schedule of Values, etc.)

AGREED AND ACCEPTED as of the Effective Date hereof.
