

Net Meter Application

25 kW Residential/100 kW Commercial

Note: This application is an interconnection request, not a request for transmission service. This application does not address the requirements for additional studies and/or upgrades for any transmission services that might be required for delivery of energy to a purchaser other than Idaho Power Company. Under our Open Access Transmission Tariff rules, procedures for obtaining transmission service are posted on our OASIS site at: <http://www.oatioasis.com/ipco/>
