

Choose **ENERGY STAR**<sup>®</sup>  
and Save

ENERGY STAR qualified products not only use less energy, but you may get up to \$50 cash back for purchasing select products for your home.

Idaho Power's Home Products Program offers customers cash incentives for purchasing ENERGY STAR qualified clothes washers, refrigerators, ceiling fans with lights and light fixtures. For program details, visit [www.idahopower.com/homeproducts](http://www.idahopower.com/homeproducts). For a list of qualified products check [www.energystar.gov](http://www.energystar.gov).

## Incentive Payments

ENERGY STAR qualified Clothes Washer	\$50
